If you have problems placing an order by credit/debit card, please take the following steps;

1 Select and click on a photo you might like

2 Choose an option from the menu next to 'Printed on'

3 Just to the bottom left of this, choose how many of this option you would like

4 Click on 'Add to Basket'

5 Go back to 'Shop' if you wish to buy other images and proceed as above (1 – 4)

6 When you have completed shopping, click on 'View Basket' then proceed to 'Checkout' (bottom of the page)

7 Complete the billing/address details (make sure the email address and postcode are accurate)

8 Add additional notes/messages under 'Order Notes'

9 If you want to send a print or canvas to someone else or to a different address please tick the box to the right of 'Ship to a different address'

10 Click on the 'Place Order' icon at the bottom of the page

11 Click on one icons in the payment card choices

12 Complete the card details (number/security code/expiry date/your name as it appears on the card)

13 Click on the 'I'm not a robot' box

14 Answer the question by clicking on one or more of the boxes

15 If you do not like that particular question or if there is another problem, click on 'Skip to the next choice'

16 Click on the 'Make Payment' tick icon at the bottom of the page

17 You will get an 'order received' confirmation which you can print out for your records or you can keep on file the email you will receive.
