

The Storm Cat Song

Words and Music © P J Burrell 2010

Verse 1 (All)

As the boat rolls high while the rain lashes by
We will hold our nets in the sea
Still we hope and pray that our catch of the day
Will be worth all the labour we give

Chorus (2 parts)

**As the Storm Cat cries to the darkened sky
Saying there's no point to this life of ours
Yet we still fight on, though we seem alone
While the wind blows wildly over the deep, dark sea**

Chorus (second part)

**While the waves rise and the rain falls
And the storm howls and the spray blows
While the boat creaks as the night comes
While the wind blows wildly over the deep, dark sea**

Verse 2

I will sing this song as the boat crashes on
Through the stormy waves and the spray,
For I still believe I can calm all the fears
Of the Storm Cat and sing them away

Chorus (2 parts)

**As the Storm Cat cries to the blackened sky
Saying there's no point to this life of ours
But we struggle on, though we work alone
While the wind blows wildly over the deep, dark sea**

Chorus (second part)

**While the waves rise and the rain falls
And the storm howls and the spray blows
While the boat creaks as the night comes
While the wind blows wildly over the deep, dark sea**

Instrumental – then Repeat *Chorus (2 parts)*
