

# Mowzer's Song

Words and Music © P J Burrell 2010

## *Verse 1 (Solo)*

When you're far from home and looking for security  
While the storm is raging in your mind so constantly  
Though the future seems so dark, there is another way  
There is life beyond this storm, I am here to keep you calm, for ...

## *Verse 2 (Solo)*

... I have words to comfort you when you can't see the light  
I have love to bring you when you're fearful in the night  
Will you put your trust in me though hope seems far away  
We will find another way through the madness of today

## *Chorus (All)*

**You can change your heart. You will find a place to belong  
Wherever you are, my love for you grows ever stronger.  
There's a better life here for you  
There's a brighter future dawning  
If you only put your trust in me**

## *Instrumental*

## *Verse 3 (Solo)*

Do not put your faith in fear but still believe in me  
I am there to guide you when you cannot see the way  
All the great anxieties which haunt your life today  
You will find your peace of mind when you leave the past behind

## *Chorus (All)*

## **Instrumental**
