

The Lantern Song

Words and Music © P J Burrell 2010

Solo

Shine your light to bring them home
May the sea grow calmer
Pray they sail right through the storm
Safely into harbour

All

As they travel through the night
Hoping for a shelter
We shall keep our lanterns bright
Shining from the harbour

All

All who sail the restless sea
Be there to protect them
When at last their journey's done
Bring them safe to harbour
