Rapids of Energy

Words and Music Paul J Burrell 2018

(All)

Crashes, smashes, lashes, dashes
Rapid on its way
Swirling spirals, power pulsing
Water on its way.

Rushing, raging, swirling, whirling
Bounding energy
Under, over, this side, that side
Stones and rocks collide.

Crashes, smashes, lashes, dashes
Rapid on its way
Swirling spirals, power pulsing
Water on its way.

Waves of madness
All around me, can this ever end?
White with frenzy, madly bubbling
Cauldron on the move.

Beaten, battered, stones are shattered
Fighting to get free
Like a nightmare rocks are flying
Fighting for their life.

Crashes, smashes, lashes, dashes
Rapid on its way
Swirling spirals, power pulsing
Water on its way.
