

Amazing Place

Words and Music Paul J Burrell 2020

Verse 1 (Solo)

How can you be so beautiful?
How can you be so pure?
Something in you is so wonderful,
How could I ask for more?

But how could I ever be like you?
It's not easy as it seems!
How could I be a part of what you are,
Reach out beyond my dreams?

Verse 1 (All)

Chorus (All)

**Amazing place, how precious you are,
Like a touch of heaven to me.
Amazing love, shine into my heart
And chase the darkness away.**

Verse 2 (Solo)

When I compare my life to yours
It makes me feel so small.
How could I come and spoil your world
When I'm not right at all?
Though you were kind to welcome me,
I'll wait until that day
When I return. I'll be just like you are
And be at peace to stay.

Chorus (All)

**Amazing place, how precious you are,
Like a touch of heaven to me.
Amazing love, shine into my heart
And chase the darkness away.**

(Solo)

And chase the darkness away
