**Battle for the heart, Battle for the soul
Battle for the mind, Battle for the world
Battle for the heart, Battle for the soul
Battle for the mind, Battle for the world**

Verse 1 (All)

There is strong motivation for a real liberation
'Cos a change is what we need
There's a new revolution for a better solution
To the way our life has been
Come on, come on, it's time to get moving
Let's jump to the start
Come on, come on, it's time to get ready
Let's fight with our hearts!

Chorus (All)

**We, together stay together strong together for the future
We, together stay together, work together for the answer
Battle for the heart, Battle for the soul
Battle for the mind, Battle for the world
Battle for the heart, Battle for the soul
Battle for the mind, Battle for the world**

Verse 2 (All)

When we change our direction with a new revelation
And we start to sing it loud
There will be transformation from this bad situation
To a world where we feel proud
Come on, come on, it's time to get moving
Let's jump to the start
Come on, come on, it's time to get ready
Let's fight for the hearts
