

I'm A Phenomenon

Words and Music © Paul J Burrell 2020

(Verse 1 - Solo)

Don't you judge by what I look like
And yes, I know that I may seem strange
People say I should be different
But I know that I'll never change
And if you ever can accept me
You will see that I am really, truly amazing ... 'cos

Chorus - Solo (echoed by All)

I'm a phenomenon (He's a phenomenon)
From Alien Nation (From Alien Nation)
I'm a phenomenon (He's a phenomenon)
I'm an attraction (He's an attraction)
I'm a phenomenon (He's a phenomenon)
I am the 'Special one' (He is the 'Special One')
I'm a phenomenon (He's a phenomenon)
Not just anyone (Not just anyone at all)

(Verse 2 - Solo)

Some think seeing is believing
But don't believe some things that you see
When appearance is deceiving
Please don't stare and disregard me
'Cos when you look beyond the headlines
You will see that I am really, truly amazing ... 'cos
