

Requiem for the End of Time

Words and Music © Paul J Burrell 2020

Section 1 - Solo

Requiem aeternam
Rest eternal give to them, Lord
Kyrie eleison
Lord, have mercy on your people
Let your light shine in this darkness,
Save us from this hour of madness

Section 2 - All (with the soloist singing Section 1 above)

Earth is fading, people grieving,
Children falling, barely breathing,
Crops are failing, waste pollution,
Seas are lifeless, no solution,
Leaders thriving on corruption,
Always fighting to destruction

Section 3 - Solo

Dies irae, dies illa
Day of wrath and day of anger
Solvat Saeculum in Favilla
Heaven and earth in ashes lying
Quantus tremor est futurus
O what horror fills our senses!

All sing Section 2 with the soloist singing Section 3 above)

Guitar solo

All sing (together) Sections 1 and 2 with the soloist singing Section 3
