We don't care who you are,
Welcome to this Wild Child star!
Though you came to us by chance
Won't you join our crazy dance?

All we want to do is play,
Mess about both night and day.
No one orders us about
So we are very, very loud!

Take the time while you can
To be part of this mad clan.
Leave responsibility,
Let your mind be wild and free!

Some may think our brains are wood and never could be any good.
Some may think we're cute and small while others think we're off the wall.

Who decides what is fair?
Messy little Millie with the pale pink hair!
Who's in charge? We don't care!
Silly little Billy with the bleach-blond hair?

We will do just as we please,
Calmness is a dull disease.
We do not do as we should
Cos there's no fun in being good!

Honestly, can you see why you should live carefully?
Be yourself and just let go, life is one amazing show!

Honestly, can you see why you should live carefully?

Descant (end part)

Honestly can you not see why we should live ever so carefully?
Life is one amazing show! (x 3 to end)
