

# Angel Light

*(Words and Music © Paul J Burrell 2020)*

## **Verse 1**

Long ago and far away, when eyes were open wide  
Stranger lights than stars appeared that filled the midnight sky  
As they shone, the light increased like night had turned to day  
Bringing hope to this dark world to chase their fears away

## **Verse 2**

What tremendous sign was this?: We hardly could believe!  
Shepherds gazed and looked amazed at things they'd never seen  
From the host, an Angel came and sang out to us all  
While we bowed in awestruck love to listen to his call

## **Chorus**

**Son of God, Living Word, human and Divine  
Angel Light, come to us, let your glory shine!**

## **Verse 3**

Glory be to God on High and to the earth be peace  
God has said, "Goodwill to all begin and never cease.  
For to you is born today, a living, heavenly sign  
You must go and find him now this Child of David's line."

## **Chorus**

**Son of God, Living Word, human and Divine  
Angel Light, come to us, let your glory shine!**

## **Middle 8**

Let us follow them with hope right to the Saviour's side  
Place all our trust in this great Gift and in God's love abide

## **Chorus (with optional descant)**

**Son of God, Living Word, human and Divine  
Angel Light, come to us, let your glory shine!**

## **Chorus (with optional descant)**

**Son of God, Living Word, human and Divine  
Angel Light, come to us, let your glory shine!  
Let your glory shine!**
