Words and Music © Paul J Burrell 2022

(Solo - Rapper)

*He's the King, he's the King, he's the powerful King
He's the ruler of our destiny
Don't question his security
Or you'll get some shock therapy!*

*If you wanna know a king's authority
Look at Xerxes superiority
We don't want no democracy
'Cos he's his own majority, OK!*

(All - sung)

Let's sing to the King imperial, majesterial, inspirational
His deeds are fundamentally, indescribably, unbelievably wise
He rules this mighty superstate in a manner that we must celebrate
He reigns with such authority, we must always be satisfied
Xerxes, Master, Ruler and King
Xerxes, in your honour we sing

(Solo - Rapper)

He loves his popularity
And bathes in his celebrity
We worship him adorably
'Cos we gain from his prosperity!

We know that necessarily
We'll take his lead submissively
He markets his supremacy
"I'm the King! I'm the King! Don't question me, OK?!"

(All - sung)

When people come from every land, they all understand who is in command
He writes his place in history, there's no mystery in his victory plan
His kingdom reaches to the skies, always gets his prize, no one can deny
His power will always see him through what he wants to do every time.
