

# The Hunt Is On

Words and Music P J Burrell 2025

## **(All) Verse 1a**

Find me, find me, can anybody find me?  
Hiding in the curtain, crawling underneath the chair  
Find me, find me, can anybody find me?  
Get yourselves together 'cos the hunting game is on

## **Verse 1b**

Somewhere snake is hiding  
Sometime we will find her  
Somehow we will put her  
In a little basket in a corner of the zoo.

## ***Combine 1a and 1b***

## **Solo**

I do quite enjoy a little game  
They can't get me, oh, it is a shame!  
They can seek but they can never find  
A crafty little snake with a crafty little mind  
A crafty little snake with a crafty little mind

## **(All) Verse 2a**

Creeping, crawling, I think it's appalling  
That they want to put me in a tiny little cage  
Sneaking, sliding, wonder where I'm hiding?  
Get yourselves together 'cos the hunting game is on

## **Verse 2b**

Somewhere in the corner  
Sometime we will have her  
Somehow we will put her  
In a little basket in a corner of the zoo

## ***Combine 2a and 2b***

## **Solo**

I do quite enjoy a little game  
They can't get me, oh, it is a shame!  
They can seek but they can never find  
A crafty little snake with a crafty little mind  
A crafty little snake with a crafty little mind  
A crafty little snake with a crafty little mind  
A crafty little snake with a crafty little mind
