

# Love Like That

Words and Music P J Burrell 2025

*(Solo)*

Every day I know you are with me  
Never alone, you're there by my side  
Every day I know you forgive me  
You lift me up from the darkness to light

I am so blessed you give me your wisdom  
And I can trust your word will be true  
All of my days I'll think of your goodness,  
Tell of your kindness and trust in your love

*(All)*

*Your gracious heart never lets me down  
Your welcome arms draw me close to you  
One day I know I will realise  
Just what you gave to make life worthwhile*

*(Solo)*

Open my eyes to the light of your wisdom  
I will arise from my shame and my fear  
I gave my heart to your favour and kindness  
Your open hand was the start of my dreams

*(All with 'Ah' part)*

*Your gracious heart never lets me down  
Your welcome arms draw me close to you  
One day I know I will realise  
Just what you gave to make life worthwhile*

**Love like that can never be forgotten  
Love like that can carry me away  
Love like that will bring our hearts together  
I want to say I'm so blessed to know love like that**
