

I Gotta Little Party

Words and Music P J Burrell 2025

Solo

I gotta little party, let's get ready to go
Don't worry what you look like, you can let yourself go
Just come as you are
Take me just as I am

We're gonna have a party we can dance all the time
We'll go jivin' to the rhythm and we'll swing through the night
We can snake it to the left
We can snake it to the right

*Slide along, Anna,
Glide along Anna make the whole house rock tonight?*

All

**Hold me baby, hold me tight
We're really gonna have some fun, that's right!
I gotta little party, I gotta little party tonight.
Squeeze me baby, hold me close!
Tell me I'm the one you like the most!
We're gonna have a party. We're gonna have a party tonight,
Oh Yeah! We're gonna have a party tonight, that's right!
We're gonna have a party tonight.**

Solo

So slide along, Anna, just as quick as you can
Come along with me, put your life in my hands
Just come as you are
Take me just as I am

It's a very special party, so don't be shy
You're really gonna love it and I'll show you why
There is no better thing ... when the party's in swing!

*Slide along, Anna, gotta get to the party tonight
Glide along Anna, make the whole house rock tonight*

All

**Hold me baby, hold me tight
We're really gonna have some fun, that's right!
I gotta little party, I gotta little party tonight.
Squeeze me baby, hold me close!
Tell me I'm the one you like the most!
We're gonna have a party. We're gonna have a party tonight,
Oh Yeah! We're gonna have a party tonight, that's right!
We're gonna have a party tonight.**

Solo

When I hear those drums begin,

I'm in second heaven again
When that music starts to play
I can dance the night time away
When that rhythm starts to rock!
I wanna shout ..., and ..., let it all out ! ... So

(All)

Hold me baby, hold me tight
We're really gonna have some fun, that's right!
I gotta little party, I gotta little party tonight.
Squeeze me baby, hold me close!
Tell me I'm the one you like the most!
We're gonna have a party. We're gonna have a party tonight, Oh Yeah!
We're gonna have a party tonight, that's right!
We're gonna have a party tonight, come on!
We're gonna have a party tonight, Ah ha!
We're gonna have a party tonight!
That's right! *(shouted)*
